Teachers' Supply Closet (TSC) provided **20,505** children from low-income families with free school supplies in **YEAR 2023**. TSC helps students succeed in school and eliminates the need for teachers to pay for needed products. School supplies include **Composition Notebooks, Copy Paper, Gently Used Education Books for Pre-K – 12th Grade, Kleenex/Hand Sanitizer, Glue Sticks and Scissors**. Donations come from local product drives, and because TSC is an affiliate of the national *Kids In Need Foundation*, other free items arrive via transport truck. TSC pays for the shipping and uses volunteers to unload the trucks and display the supplies in its 6,000-sq.-ft. free store, where teachers "shop" online and receive the products via curbside service.

148 volunteers donated 1,411 service hours { \$31.80 per hour } valued at approximately \$44,870 to date.

TSC is in a temporary space {Morningside Middle School} and greatly needs a new, larger facility to call home.
